

POOJA

Address: #460 Sri Satyadeva

Luxurious PG,

AECS Layout, Brookefield,

Bengaluru-560037.

Email ID: pooj21ee@cmrit.ac.in

Mobile No: +91 8073233783

Linkedin: <https://www.linkedin.com/in/pooja-prakash-0b70b1266/>

Github: <https://github.com/Poojaprakash12/pooja>

CAREER OBJECTIVE

As a final year Electronics and Communication Engineer, I seek an entry-level role in a tech company to apply my skills, contribute to innovative projects, and grow professionally.

EDUCATIONAL QUALIFICATION

- **Bachelors of Engineering – Electronics and Communication Engineering**
CMR Institute of Technology, Bengaluru.
CGPA – 8.76, 2025 (Pursuing)
- **Pre – University Course – Science**
Pramana Pre University College, Raichur
75%, 2019
- **SSLC**
SR Sukhani Co-Education High School, Raichur
95.8%, 2017.

TECHNICAL SKILLS

Languages: JAVA (beginner), python(beginner), Arduino(beginner)

Web Technologies: HTML, CSS, JavaScript, React, Django(beginner)

Software: Figma, MATLAB, scikit-learn, TensorFlow.

Database: MySQL(beginner)

Design Tools: UI Design, UX Design(beginner)

PROJECTS

- **Project-1**
Title: Vangaurd -A high risk surveillance bot
Tools used: IR sensors, Motors, Castor wheel, ESP32 Microcontroller, DC voltage supply, OpenCV, shortest path algorithm, Machine Learning and ML model (YOLO)
Description: Utilizing state-of-the-art technologies such as OpenCV and Machine Learning, Vanguard excels in real-time event detection and classification with pinpoint accuracy.
Learning Outcome: Gained hands on experience in Machine learning through pre-trained models such as YOLO.I also understood the implementation of algorithms.
- **Project-2**
Title: Detection of honey bees in a colony of bees through Deep Learning algorithm.
Tools used: CNNs (Convolutional Neural Networks), OpenCV.
Description: Designed and implemented a cutting-edge Deep Learning algorithm to accurately identify and detect honey bees within a colony.
Learning Outcome: Implemented deep learning applications in computer vision by developing an innovative algorithm for honeybee detection within a colony. Learnt expertise in data pre-processing and model training showcasing advanced skills in Machine Learning.

INTERNSHIPS

Company Name-**EBTS (Enterprise Building Training Solutions)**

Duration: 1 month

Designation: Intern

Roles & Responsibilities:

- Developed a spam email classification model using scikit-learn, focusing on Naive Bayes algorithms for text classification.
- Preprocessed email data to improve the model's accuracy, including tokenization, stop-word removal and feature extraction.
- Fine-tuned the model by adjusting hyperparameters, resulting in higher precision and recall. Collaborated on deployment strategies for integrating the model into larger applications, ensuring scalability and reliability.

CO-CURRICULAR ACTIVITIES & EXTRA-CURRICULAR ACTIVITIES

- **Co-curricular Activities**
- **Seminars:**
Presented seminar on topic "Overloading and Underloading of Railway wagons"
- **Certifications:**
"Programming in Java" from NPTEL
"Introduction to Machine Learning" from Udemy
"Python Programming" from Coursera.
- **Technical Club:**
Managed events under FOSS Cell CMRIT.
- **Competitions:**
Participated in e-yantra robotic competition 2024, conducted by IIT-Bombay.

Extra – Curricular Activities

- **Non-Technical Club:**
Managed events under Minerva Club

AWARDS & ACHIEVEMENTS

- Top scorer in 1st and 2nd semester VTU examination
- Winner, Technovation - AI & DS dept. CMR Institute of Technology, March 2024.
- Developed "Project Vanguard", by designing and implementing AI algorithms for real time detecting and tracking of the obstacle, focusing on the shortest path algorithm.
- 2nd runner up - Texlore 2024 – IEEE club of CMR Institute of Technology, May 2024.

PERSONAL DETAILS

Date of Birth : 20/01/2002
Gender : Female
Nationality : Indian
Permanent Address : #360 Krishna-Giri hills Near Rajmata temple Raichur-584101
Languages Known : English, Kannada, Hindi
Hobbies : Chess, movies, badminton

REFERENCE

Name: Dr Pappa M
Designation: Head of Department, Department of Electronics and Communication
Email ID: hod.ece@cmrit.ac.in
Phone No: 9886539880

Name: Dr. Nageshwar Rao Atyam
Designation: Professor, Department of Electrical and Electronics , CMRIT
Email ID: Nageswara.r@cmrit.ac.in
Phone No: 9652114714
